

**RETAIL Price List - Valid From November 2019**

The Primare product range features Prisma, a new whole-home, high fidelity control and connectivity solution. Prisma offers network playback from stored and streamed media, Wi-Fi and Bluetooth® connection, as well as multi-room/multi-zone connectivity and control, all managed through the Prisma application, allowing Prisma system management from any mobile device.

<b>NP5</b>	£ 375.00	£ 450.00

**NP5**

NP5 bijou network player, which extends Primare's proprietary Prisma network tech to any system with a digital input.

**Features:**

- AirPlay 2
- Bluetooth
- Roon Ready
- Spotify Connect
- Chromecast built-in
- Over 160 streaming services available, including Roon Endpoint
- Simplified network connection using Google Home app
- Voice control through Google Home devices and Google Assistant
- Multi-room / multi-zone connection and control through a variety of platforms: AirPlay 2, Spotify Connect, Chromecast Built-in, Prisma
- Wired (LAN) and Wireless (WLAN) connection
- USB A input
- RCA and Toslink outputs with choice of 48, 96, 192 output for connection with any digital to analogue converter
- Prisma application for setup of operating features and control of network connected hard drives for high resolution file playback up 24 / 192 PCM and DSD128
- RS232 control connection with included RS232 cable allowing for Prisma APP control on past Primare models: Volume Control, Mute, Power on / off, Input Selection

**Specifications:**

- RCA:** 1 x Digital Output
- Toslink:** 1 x Digital Output
- RS232:** Outboard System Control Port
- Prisma:** Connectivity and Control
- USB-A:** x 1
- Ethernet:** x 1
- Dimensions (H x W x D mm):** 36 x 143 x 125
- Weight:** 0.5 Kg
- Finish:** Black
